## Beer Cheese and Potato Soup

### PREPARATION

Pre-Preparation

Heat Craft Beer Cheese Dip in a steamer or water bath for 25-30 minutes to 140°F for 15 seconds (HACCP Critical Control Point) and hold hot at 135°F until ready to serve.

### Recipe Preparation Method

In a large stock pot, simmer carrots, onions, and peppers in oil until slightly caramelized and tender. Add chicken broth to vegetables and bring to simmering point, cooking for approximately 10 minutes. Add heated Craft Beer Cheese Dip to stock pot and blend well. Portion 8 oz. of soup into bowl and garnish with diced scallions and chopped bacon prior to service.
